The Cornwall Air Ambulance Lottery

Welcome to Mission Maker The Cornwall Air Ambulance Lottery

Thank you for taking the time to download our lottery application form. Please complete the direct debit mandate overleaf and send it to: **Cornwall Air Ambulance Trust, Trevithick Downs, Newquay, Cornwall TR8 4DY.**

The Cornwall Air Ambulance protects the population and visitors of Cornwall over 1,300 square miles of remote countryside, bustling towns, coastline and islands. Flying around 800 missions every year, our crew bring advanced emergency medical care to our patients in their moment of need.

It costs £4.5 million every year to keep this vital service flying and, despite being an essential emergency rescue service, Cornwall Air Ambulance receives no direct government funding. **It's funded by people like you.**

Every time you play our lottery, you're helping fund lifesaving emergency rescue missions for people in Cornwall and the Isles of Scilly. Playing Cornwall Air Ambulance's Mission Maker lottery gives you the chance to win our weekly £1,000 jackpot! There's also a 2nd prize of £250, a 3rd prize of £150 and ten consolation prizes of £10.

On receipt of your application form we will send you a welcome letter. The letter will contain your unique lottery numbers and more information on the lottery. The draw takes place every Friday and the weekly winners are sent their prize cheques through the post, so there's no need to claim.

If you have any questions about your lottery membership, please do not hesitate to contact us on our dedicated lottery help line: **01637 222525** or visit our website: **www.cornwallairambulancetrust.org/lottery** where you can also see the weekly results and terms and conditions for the draw.

Thank you once again for your kind support and good luck!

Terms and Conditions

Only persons over 16 years of age may play this lottery. A draw takes place every Friday until further notice. Tickets are sold to you on the condition that you consent to your details being stored on our computer for the purposes of notification of prize winners. You may also receive correspondence from us unless you selected not to receive such correspondence on your application form.

Each ticket contains six unique draw numbers. These numbers are entered into the weekly draw provided that the £1 entry fee has been paid. The draw is performed by a computer. All six numbers on each ticket are valid for each prize, except that, once a ticket has won a prize, the six numbers on that ticket are removed from the draw for the remainder of the prizes that week i.e. each ticket cannot win more than one prize each week.
